

INSTALLATION INSTRUCTIONS:

- Ensure main supply is switched off.
- Fix crossbar (1) onto outlet box with self-tapping screws (2).
- Insert 3 pedant cables(3) into loop and canopy.
- Connect wires(4) of the same colour (white to white, black to black, and ground to ground) from each pedant together and group it with 1 extra wire for the ceiling.
- Connect all earth lug(5) together onto the crossbar with green screw to tight.
- Fit ceiling plate (6) onto crossbar with nuts (7).
- Install the lamps firmly into lampholders.
- Reconnect power.

WARNING:

- This fitting must be earthed.
- Disconnect power and allow fitting to cool down before cleaning or changing the lamp.
